

VTech MobiGo Touch Learning System Case Replacement

Replace the outer case of the VTech MobiGo Touch Learning System.

Written By: Daniel Kresge

INTRODUCTION

This guide will show how to take off the external case of the device.

TOOLS:

- [Screwdriver](#) (1)
 - [Metal Spudger](#) (1)
 - [iFixit Opening Tools](#) (1)
-

Step 1 — Case

- Remove the battery covers and the four batteries.

Step 2

- Remove the four plastic caps with a metal spudger to expose the 6.0 mm Philips JIS #0 case screws.
- Remove the eight 6.0 mm JIS #0 case screws.

Step 3

- Using a plastic opening tool, separate the two pieces of the case carefully.

To reassemble your device, follow these instructions in reverse order.
